About the Presenter

Terri Couwenhoven MS is a Certified Sex Educator who specializes in designing and implementing sexuality programs and materials for people with intellectual disabilities, families and professionals. Her puberty workshops help families learn together in a comfortable, safe, and fun environment. Concrete teaching methods (videos, slides, pictures, games, activities) are used to improve comprehension and help parents become more comfortable and confident helping their children understand body changes, self care, and appropriate social behavior. For more information visit www.terricouwenhoven.com.

Workshop for Boys

This two-hour workshop is designed for parents and their sons ages 11-14. After attending, boys will be able to:

- ★ Describe the physical and emotional changes that happen to boys during puberty
- ★ Identify social and safety rules related to private body parts

DATE:

Sat. September 2nd 12:30-2:30 PM

OR

Sat. September 9th 12:30-2:30 PM

Workshop for Girls

This two-part program is designed for mothers and/or other significant female adults and their daughters ages 10-14.

After attending the workshop participants will be able to:

- ★ Describe the physical and emotional changes girls experience during puberty
- ★ Use feminine hygiene products correctly
- ★ Identify social and safety rules related to private body parts

DATES (attend both dates):

Saturday, September 2nd 9:00-11:00 AM

AND

Saturday, September 9th 9:00-11:00 AM

Program Location:

Children’s Hospital - Corporate Center
Education Classroom Room 220
999 N. 92nd Street
Milwaukee, WI

Directions:

Take I-94 to Hwy 45 North. Exit Watertown Plank Ave. and go East to 92nd Street (2nd stoplight). Turn right on 92nd St. and continue to stoplight at Connell Ave. Head West on Connell (away from the Children’s Hospital building) and enter the “Staff Parking” gate on your left. Press the red button and announce the name of the class in the intercom. Park in the structure and enter building on second level.
